

Svalbard

Svalbard nennt man die ganze Inselgruppe, Spitzbergen ist die grosse Hauptinsel.

The map shows the Svalbard archipelago with a 15-day travel route marked by numbered arrows (1-15). The route starts at Longyearbyen (1), goes to Barentsburg (2), Sveagrava (3), Hornsund (4), Sørkapp (5), Hopen (6), and returns to Longyearbyen (15). The route is color-coded: red for the main loop and green for a side loop. Icons represent wildlife: a bird (1), a walrus (2), a reindeer (3), a polar bear (4), and a bird (5). A ship icon is at the bottom left. The map includes labels for islands like Ny-Frisland, Nordaustlandet, and Spitzbergen, and bodies of water like the Arctic Ocean and Greenland Sea.
